SUNDAY, Sept 13
REEF BUILDING
at the
college waterfront
call 301-904-2387
or email
info@stmarysriver.org
for more information.

The Association's Annual Members Meeting will convene at 10 a.m. on Saturday September 19 at the Ruddy Duck Seafood and Alehouse on St. George Island. The agenda will include nominations and elections of board of directors and a talk by St. Mary's College of Maryland president, Tuajuanda Jordan. Jordan's topic will be *The River is a Part of Us*.

Excited to be coming back to Maryland, Tuajuanda Jordan was appointed president of St. Mary's college a little more than a year ago. Her ability to delight audience with thought-provoking stories combined with humor has made her a favorite speaker for non-profits. With a varied background including chemistry, medicine, administration and human resources, Jordan will provide her perspective on our interaction with and relationship to the St. Mary's River. Light refreshments will be served.

"For more than a year now, President Jordan has delighted local audiences with her inspiring words and humor," said Association Executive Director Bob Lewis. "We are delighted to have her as our speaker for this year's annual meeting."

Please RSVP by text to 301-904-2387 or email info@stmarysriver.org.

Oyster Planting - Volunteers Needed
9 a.m. Sunday, September 13, 2015
at the college waterfront

We will load 400 bushels of spat-on-shell and plant two million oysters into the

St. Mary's River. Bring sun protection and drinking water. We supply gloves and life jackets. RSVP and info: text to 301-904-2387

OUR MISSION

To protect, improve, and promote the sustainability of the St. Mary's River Watershed through the collaborative efforts of economic, agricultural, environmental, social, cultural, and political stakeholders in the community.
