RiverFest 2017 was a huge success! The day was sunny and warm with enough breeze to make it a superb day on and around the water. Many folks ventured out on the water in kayaks and rowboats, waded in the water and swam about, and took part in the many shoreside activities. Highlights this year were the live birds of prey—including a cute burrowing owl, the many touch tanks with live snakes, fish, and oysters, and the annual wade-in led by Senator Bernie Fowler. Fun was had by all! Thank you to our event attendees, volunteers, and supporters!!
